

IQAC REPORT SUMMARY

In implementation of the action plan for performance evaluation assessment and accreditation and quality up gradation of institution IQAC cell is established in Vivekanand Mahavidyalaya. The primary task of the IQAC is to develop a system for conscious, persistent and catalytic improvement in the overall performance of institution.

As an educational institute the major role of IQAC is to involve all the faculty in research activities. With regard to this, Vivekanand Mahavidyalaya has established IQAC on 2016 in order to increase the involvement of faculty in academic activities. After establishment of IQAC, faculty members were published papers and some faculty members have participate in national and international conferences. Some have completed their PhD. IQAC cell has made at our college campus a tremendous change in the graph of performance as compared to earlier year .At present most of the faculty members have published papers and enrolled for PhD. Many infrastructural changes as well as up gradation of campus and change in working scenario is being witnessed after formation of IQAC.
